

Your Way Away

SAMPLE CHECKED 6 NOV 2026

Bali

10 days: Ubud, Mount Batur, the quiet east and the southern cliffs

Photo: Vyacheslav Argenberg, CC BY 4.0

Bali at a sensible pace: rice fields and temples around Ubud, sunrise on Mount Batur, the quiet Sidemen valley in the east, a day on Nusa Penida and sunset on the Uluwatu cliffs. Three bases, a driver or Grab. Book everything yourself and keep this guide on your phone: it works offline.

At a glance

What you will see

Photo: William Cho, CC BY-SA 2.0

Tegallalang rice terraces

The best-known terraces near Ubud. Arrive before 8 am; later it is crowded and hot.

Time: 2 hours

Photo: WikiSantaClaus, CC BY 4.0

Mount Batur

A roughly two-hour night climb up an active volcano to watch sunrise over the lake. Go with a local guide and bring a warm layer.

Time: half a day
