

Your Way Away

SAMPLE CHECKED 7 NOV 2026

Madagascar

12 days: lemurs in Andasibe, Ranomafana, Isalo and Ifaty beach

Photo: Pat Hooper from Chicago, IL, USA, CC BY-SA 2.0

Madagascar your way: singing indri lemurs in the Andasibe rainforest, chameleons and night walks in Ranomafana, the canyons and natural pools of Isalo National Park, and the beach and reef at Ifaty on the Mozambique Channel to finish. The legendary RN7 road with a local driver and one domestic flight. Book everything yourself and keep this guide on your phone: it works offline.

At a glance

Up to 15 days visa-free

Czech citizens pay a EUR 10 entry fee on arrival; for longer stays (up to 60 days) an e-visa at evisamada-mg.com or at the airport (Czech MFA)

What you will see

Indri lemur

The largest living lemur, whose morning song carries through the Andasibe forest.

Time: half a day

Chameleons

Half the world's chameleons live in Madagascar; they're easiest to spot at night.

Time: evening

+ 4 more places with photos and tips in the full guide
